Cashman Communications is a public relations consulting firm based in Bangor, Maine. Cashman Communications specializes in public relations, media outreach, public outreach, earned media organization, media coaching, creative consulting, crisis management, social media implementation and other public relations services. Cashman Communications also offers video production, design work, marketing and publicity services, and website development.

Cashman Communications has pre-existing relationships with an extensive list of media professionals throughout the state and region. Through nearly four years of experience working in Governor John Baldacci's Communications Office and nearly a decade as an on-air radio and television personality, Dan Cashman has worked specifically with local, statewide, and regional media outlets on a regular basis.

Experienced. Professional. Creative. Cashman Communications wants to work to help grow your business. Call 207.947.9113, or e-mail [dan@cashcomm.net](mailto:dan@cashcomm.net) for a FREE consultation.
