

Since its creation in 1998, Sebago Brewing Company has been brewing unique, high quality Craft beers. Originally Sebago started as a brewpub but has grown to distribute package and draft beer in Maine, Massachusetts and New Hampshire. Sebago Brewing Company uses all American Malt, Hops and the crisp water from Sebago Lake. In addition to brewing and distribution of craft beers, Sebago Brewing Company operates 3 Brewpubs in Southern Maine. Located in Portland, Scarborough and Gorham, Sebago is well known for their casual upscale menu, late night happy hour and great guest service. "We brew beer that we love to drink with our friends!" says Owner/ Brewmaster Kai Adams

Sebago Brewing Company supports local organizations and events. Sebago Brewing Company is the official beer sponsor of the summer concert series Alive at Five, Stage sponsor at the annual Old Port Fest, Portland Greendrinks, and Portland Buy Local. "We love working with local groups" says Adams "It let's us connect to the community and support local business in Maine."

With plans of further expansion, Sebago Brewing Company continues to tempt and arouse the pallets of New England's beer lovers.
