Aimee Dolloff is a news writer for the University of Maine's Department of University Relations, focusing mainly on the areas of science, technology and economic development. Before joining the University Relations staff Aimee was a reporter for the Bangor Daily News for nearly eight years. During that time, she was a city reporter, style writer, and reality TV columnist. She continues to write her weekly reality TV column for the BDN. Born in the Philippines and raised in western Maine, Aimee is a 2003 UMaine graduate with a bachelor's degree in English and journalism. She also is an Honors College alumna.
